Memo to AAPS Security File:

Mr. Stanley E. Newman phoned this morning to report that Messrs. E. H. Morse, Jr., AAPS, and A. T. Samuelson, CAAD, have been granted security clearances for the purpose of participating in the GAO audit program as it relates to the Central Intelligence Agency.

The official notice to that effect is contained in a letter dated March 11, 1957, to Mr. T. A. Flynn, Director of Personnel, from Mr. E. R. Saunders, Comptroller, Central Intelligence Agency. That letter is to be retained in the security files of the GAO Division of Personnel, where it will be available for future reference for official purposes.

No printed notice forms are to be issued in these two cases, but Mr. Newman asked me to apprise Messrs. Morse and Samuelson of their CIA clearances. For this purpose they are being furnished a copy of this memo.
